

# Identity Response

**Directions:** Write a two-paragraph response in which you describe your identity, who you are. In the **first paragraph**, focus on **one defining trait**, and in the **second paragraph**, focus on **another defining trait**. Bring your trait to life by using metaphoric language and powerful, engaging diction.

## Guidelines:

1. Write a two-paragraph response of about a page (double-spaced, 12 Font, Times New Roman).
2. Focus on **ONE** trait per paragraph.
3. **Begin each paragraph with "I am"** and complete the sentence.
4. Use concrete language, personable descriptions, and unique comparisons.
5. **Late Policy:** One day late = 1/2 credit.
